

## PRIVACY POLICY

### DEAR CUSTOMER / SUPPLIER

According to art. 13 of Legislative Decree 196/03 "Law concerning the Protection of Personal Data", we inform you that the data provided by you or otherwise acquired within the Filtrac S.p.A. activities, will be processed in accordance with the above provisions and the obligations of confidentiality followed by our Company.

Process of personal data means their collection, storage, organization, storage, processing, modification, selection, extraction, comparison, use, interconnection, blocking, communication, diffusion, and deletion of data even if not registered in any database.

Filtrac is the holder of the personal data process and all Filtrac employees and consultants have been appointed as processors. The data will be processed and transmitted for purposes related or instrumental to our business: i.e. to implement a service or one or more transactions you have requested, to execute legal obligations in general, to send communications and / or briefings. Data process will be done through instruments that guarantee security and confidentiality, and will also be made by electronic means to store, manage and transmit the data.

The data will be kept at the headquarters of Filtrac for the time prescribed by law. We remind you that you can request at any time in writing to integrate, update, amend or modify your data and you can exercise all the rights conferred by the law on art. 7 of the decree. Filtrac will verify your identity through the necessary records or documents.

## COOKIES DISCLOSURES

### TECHNICAL COOKIES

The technical cookies are used for the sole purpose of "carrying out the transmission of a communication over an electronic communications network, or as strictly necessary for the provider of an information society service explicitly requested by the subscriber or user to provide this service" (see art. 122, subpar. 1, of Italian civil Code)

They are not used for any other purpose and are usually installed by the owner or operator of the website. They can be divided into browsing or session cookies, which allow the normal navigation and use of the website (e.g. allowing to make a purchase or authentication for access to a reserved area); analytics cookies, similar to the technical cookies where used directly by the site

operator to collect information, in aggregate form, about the number of users and how they visit the site; functionality cookies, which allow the user to navigate in function of a number of selected criteria (e.g. the language, the products selected for purchase) in order to improve the service.

They are stored on your computer only during the current session of the browser. The technical cookies are used to manage the transition between the different visited pages, the different sections of the site or of a particular page. A cookie of this type is also used to store the user's decision on the use of cookies on our website. Within the scope of technical cookies also those used to statistically analyze accesses or visits to the site, also named "analytics" cookies, which pursue exclusively statistical purposes, (but not marketing or profiling purposes too) and collect information in aggregate form with no chance to go back to the identification of the individual user.

The technical cookies cannot be disabled using the functions of the website, but they can be disabled and / or completely eliminated at any time through the settings of the browser.

#### COOKIES OF THIRD PARTIES

While navigating the site you may receive on your terminal even cookies from other sites or web servers ("third-party" cookies): this is because on the site may be present elements as, for example, images, maps, sounds, specific links to web pages of other domains, residing on different servers than the one hosting our website. In other words, these cookies are set directly by operators of web sites or servers different from the ones of our site. These third parties may set cookies while you visit our site and thus obtain information about the fact that you visited our website. If the user decides not to grant permission for the use of third-party cookies, the functions of the site that do not require such cookies only can be used.
