

PAP FOR EXIBITION

15th International exhibition and Business Forum for pulp and paper, forestry, tissue, converting and packaging industries PAP-FOR

November 13-16, 2018, EXPOFORUM, St. Petersburg

PAP-FOR is the largest pulp and paper event in Eastern Europe that represents all cutting edge products, innovative ideas and ultra-modern industry technologies at one site. It is an ideal B2B event for establishing new partnerships and developing business. During four days PAP-FOR gives the full market overview and gathers all industry professionals in one meeting place.
